

LHU is an educational establishment with interdisciplinary and multi-level training programs, combining training with scientific research, technology transfer in the fields of engineering, technology, economics, and social humanities. Presently, the university offers its students 9 faculties, 21 departments and 26 majors, namely

<b>No.</b>	<b>Faculties</b>	<b>ID</b>	<b>Departments</b>	<b>Majors</b>
1	Information Engineering Technology	52480201	Information Engineering Technology	Information Engineering Technology
2	Mechatronics Electronics	52510302	Electronic and Communications Engineering Technology	Electronic and Communications Engineering Technology
		52510303	Control and Automation Engineering Technology	Control and Automation Engineering Technology
		52510301	Electrical and Electronic Engineering Technology	Electrical and Electronic Engineering Technology
		52510201	Mechanical Engineering Technology	Mechanical Engineering Technology
		52510205	Automotive Engineering Technology	Automotive Engineering Technology
3	Civil Engineering	52510102	Construction Engineering Technology	1. Civil and Industrial Construction 2. Bridge and Road Construction
4	Chemical and Environmental Engineering	52540101	Food Engineering	Food Engineering
		52510401	Chemical Engineering	Chemical Engineering
		52440301	Environment Engineering	Environment Engineering
		52420201	Biotechnology	Biotechnology
5	Finance - Accounting	52340201	Finance - Banking	Finance - Banking
		52340301	Accounting	Accounting
6	International Economics Administration	52340101	Business Administration	1. Business Administration 2. Hospitality and Restaurant Administration
		52310101	Economics	Foreign Trade
		52380107	Economic Law	Economic Law
7	Oriental Studies	52220204	Chinese Language	Chinese Studies
		52220213	Oriental Studies	1. Japanese Studies

				2. Korean Studies
		52220113	Vietnamese Studies	Tour Guide
8	English Language	52220201	English Language	Business English
9	Pharmacy	52720401	Pharmacy	1. Medicine Supply and Management 2. Medicine Production and Development 3. Pharmacology, Clinical pharmacology

The degree awarded upon completion of graduation exam/thesis defense is the Bachelor of Arts (B.A.).
